

ECHOVANTAGE RELEASE NOTES

VERSION 3.36-HOTFIX 1

BUG FIXES

[Client Schedule Not Displayed in *Clients > Schedule*](#)

An issue was reported where the Client Schedule was not displayed on the *Clients > Schedule* tab in v3.36. This issue has been resolved and now the Client Schedule displays as expected and Events can be added and edited as before.

[Principal Diagnosis Button Clears on Save in Service Entry](#)

An issue was reported where the Principal Diagnosis radio button was saving as unchecked, even after editing the service to ensure the button was selected. The issue was addressed and now the Principal Diagnosis button remains checked after save of an existing Client diagnosis or adding a new Client diagnosis.
