PA CUSTOM BUNDLING ACORN RELEASE NOTES

PA-CUSTOM-BUNDLING – VERSION 1.0.7   REQUIRES ECHOVANTAGE VERSION 3.18 OR HIGHER

OVERVIEW

Charge Strategies are now no longer required for the four Acorn-specific custom bundles (FBMHS, BHRS, IBHS, and STAP). The bundle was updated to use the Charge Strategy for the detailed Service to determine the rate and charge since each Service only bundles with itself.

INSTALLING THE ACORN

The *install-pa-custom_billing-1.0.7.RELEASE.sql* script updates the *PA Custom Bundling* record in the dbo.AcornRegistrations table to version 1.0.7.RELEASE. SaaS hosted customers should send a request via the Support portal to authorize the update.

CONFIGURING THE APPLICATION

Upgrading to *PA Custom Bundling* version 1.0.7 does not require any configuration changes.

UPDATES

Ticket #	Description
11198	Update Custom Bundles in TEAMCare Acorn.
